LMCE 2018 (Laboratory Medicine Congress & Exhibition) & KSLM 59th Annual Meeting will be held at the Grand Walkerhill Seoul in Korea from November 1 to 3, 2018.

Since our first congress in 2016, LMCE has seen remarkable growth. Last year's congress resulted in a marvelous success with over 1,200 attendees from 30 countries and established LMCE as one of the best opportunities to learn and share about Laboratory medicine. For the upcoming LMCE 2018, we are preparing for a highly dynamic and stimulating array of scientific programs under the theme 'Patient-Centered Laboratory Medicine.'

Since the abstract submission is ongoing, the Committee cordially invites you to submit abstracts for oral and poster presentations.

LMCE 2018 will be a highly rewarding international festival and we look forward to seeing you!
